

SUPER FLYERS

GAME 2

DISTANCE KICKING

1. Print out the four numbered targets and stick them onto some cardboard.
2. Carefully cut around the blue dotted outline of each target, and along the slot marked "B".
3. Fold along the white dotted lines and slide tab "A" into slot "B" to make the stands.
4. Place the targets one behind the other, 20cm apart, with "1" being closest and "4" furthest away.
5. Aim and flick your Footy Player as far as you can.
6. You score the points shown on the target for the furthest one you clear.
7. See how many points you can score in ten kicks, or challenge a friend head to head!
